SeaSalt

Most people when reaching the shores of an ocean or sea, pause for a moment in silence, close their eyes and take a deep breath of warm, salty air to fill their lungs with the pure, zen, positive energy, that the wind amasses while blowing for endless hours and distances across the waters.

At SeaSalt, we strive to replicate this perfect moment of relaxation and silence through style of service, food and drink, mindful rituals and not least – perfect ambience and mood.

The Orchard

Nothing feels more natural and satisfying to humans than connecting with mother nature. By planting our own produce, reaping the fruits of hard work and the seeds of what we sow, then preparing them only minutes after harvest at the open kitchen of the restaurant surrounded by lush greenery, fresh air and luxurious comfort, we call upon five senses for a truly mindful and real dining experience.
